

KM 90/60 R Bp

## Battery-powered ride-on sweeper

Comfortable ride-on sweeper for medium to large surface cleaning

## Entry into the “ride-on class”.

Comfortable alternative to walk-behind sweepers. The KM 90/60 R ride-on sweeper offers best-in-class comfort with its adjustable seat, easy steering and large wheels for high performance as well as providing excellent cleaning results.

### Robust, compact design with pick-up area

Built to last, highly reliable.  
Safety and manoeuvrability.

### EASY Operation concept

Logical and clear.  
All controls are clearly arranged and easy to access.

### Large filter area with automatic filter cleaning system

- The system cleans the filter after each shut-down of the machine – for enhanced filter performance and low dust emissions.
- Filter cleaning can also take place manually.
- Filter replacement without tools.

### Homebase for greater flexibility

- Additional components, e.g. spare canisters or manual cleaning devices can be attached and carried on-board.

# Technical data
